Announcement 1362

Attention Provider Types 10 and 46:

Update Regarding Claims for Corneal Procurement

Update to [Web Announcement 1317](#): Previously paid claims submitted by provider types 10 (Outpatient Surgery, Hospital Based) and 46 (Ambulatory Surgery Centers) for procedure code V2785 (Corneal tissue processing) with dates of service on or after April 1, 2016, and before March 6, 2017, have been automatically reprocessed to pay the new rate. Results of the reprocessed claims appear on remittance advices dated May 5, 2017.
